The Youth Coalition of the ACT

Strategic Plan

2022-2025

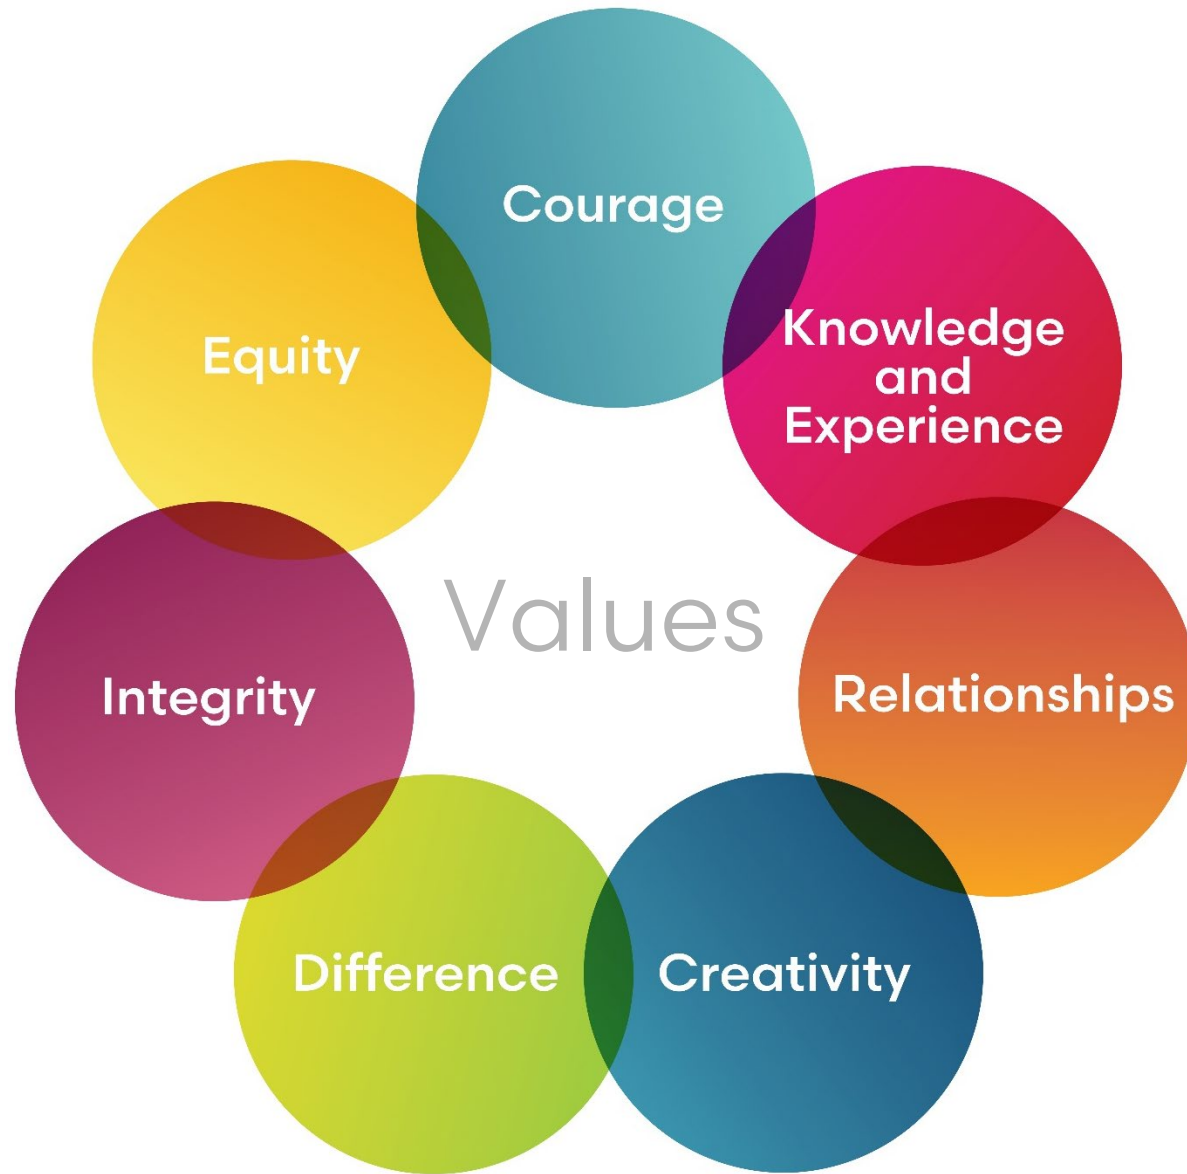

Vision

A world for, by and with young people

Purpose

To involve, represent, and strengthen the interests of young people and those who support them in the ACT and region.

Strategic Pillars

Our strategic priorities provide the foundation for our overarching vision.

1. Young People (Representation and Engagement)

Meaningfully engage young people, the youth sector and the broader community to guide and inform our work.

2. Change (Policy and Advocacy)

Influence policy, culture, and society to improve outcomes for young people.

3. Develop (Sector Development)

Strengthen the capacity and capability of the community to respond to the needs of young people.

4. Investigate (Research and Evaluation)

Drive and leverage research and evaluation to support, inform, and contribute to policy and practice affecting young people.

Foundation Pillars

Underpinning the strategic priorities are the foundational pillars that ensure integrity and longevity.

1. Culture

Foster an inclusive and collaborative culture based on respect.

2. Sustainability

Establish a diverse portfolio of sustainable income streams and strengthen governance models and business practices.

3. Innovation

Monitor and respond to the emerging characteristics and needs of the community.
